Tax will vary based on your jurisdiction. If your Company is located in the United States, tax relates to state and local sales tax. If your Company is located in the European Union, tax represents value-added tax (VAT). If you are located in the European Union and are not charged VAT, this invoice relates to services that are deemed to be supplied where received, and under Article 196 Council Directive 2006/112/EC, the customer must self-account for VAT on the reverse charge basis in their jurisdiction. You can read more about this in our Sales Tax and VAT FAQ: <https://www.intercom.com/help/en/articles/4457721-sales-tax-and-vat>.
